

Partner with us. Shape the product. Keep your rate forever.

Atlas K-12 is launching its Founder Partner program in 2026. We are looking for a small group of districts who want to be the first in the country to run a full MTSS, Care Team, and Compass AI stack on their own servers, and who are willing to trade real feedback for a permanent rate.

YOU PILOT	YEAR 1 FREE	FREE ONBOARDING	FOUNDER RATE
Run Atlas K-12 on your campus server for a full school year. Give us feedback. Break things. Tell us what works and what doesn't.	The entire first year is free for founder partners. No license fee, no per-student fee, no catch. You only pay hardware if you need it.	We handle install, SIS connection, and first-30-day tuning at no charge (normally \$1,500). Robust written training materials are included. You just give us access and feedback.	Lock in your founder rate forever. Whatever tier you start at in Year 2, that is your price for the life of your partnership.

WHAT YOU GET IN YEAR 1

- Full Atlas K-12 platform with every module unlocked: MTSS, Care Teams, Compass AI, strategy library, attendance, behavior, SEL.
- On-premise install on a server you own, with Compass AI running locally so no student data leaves your network.
- Free connection to your SIS (PowerSchool, Infinite Campus, Aeries, Synergy, eSchoolPlus, Ed-Fi, or OneRoster).
- A full library of written training materials for teachers, counselors, and administrators, delivered with the install.
- Direct line to the founder for feature requests and rapid issue turnaround.
- Co-branded case study when you are ready to share results.

WHAT WE ASK IN RETURN

- Use the platform in production with real students for a full year.
- Give us honest, regular feedback on what works, what is confusing, and what is missing.
- Let us share your results (anonymized or named, your choice) as a case study.
- Introduce us to one or two peer districts when you are ready to recommend us.

YEAR 2 FOUNDER PRICING (LOCKED FOREVER)

Tier	District Size	Founder Rate (per year)
Single School	Up to 1,000 students	\$1,200
Small District	1,000 to 3,000 students	\$3,000
Mid District	3,000 to 8,000 students	\$6,000
Large District	8,000 to 20,000 students	\$12,000
Very Large District	20,000 or more students	Let's talk

To apply: Email ashleyreddick@atlasoa.com with your district name, size, and a short note on what you hope to solve with Atlas K-12.
